NARROW ESCAPE.—Mrs. Beckham, wife of the Governor, and Dr. and Mrs. J. W. Hill, who were driving with her, narrowly escaped injury in a collision of carriages and a street car at the corner of Main and Ann streets, at Frankfort, Saturday afternoon. The horses attached to the Governor's carriage became frightened and backed the vehicle upon the sidewalk, and it was about to be overturned when bystanders caught the horses and held them until the occupants alighted. The accident occurred near the station of the street railway, and was due to the sudden backing of a car standing in front of the station. Another vehicle was between the Governor's carriage and the car, and its negro driver in trying to get away from the car, backed into the carriage.

"D—D LITERARY CHAPS."—When J. P. The deceased is the widow of the late B. L. Knapp, and is survived by three children—Mrs. Wm. Myall, of this city; Mrs. George Jasper, of Chattanooga, Tenn.; and Edward Knapp, of Cincinnati. Mrs. Knapp was a life-long and faithful member of the Christian Church, and by her sweet and sunny disposition was loved by all, especially by those who knew her best. It can truly be said that a good woman has gone to her just reward. The funeral was held Saturday afternoon at the residence of her son-in-law, Mr. Wm. Myall, services being conducted by Elder Carey Morgan and burial at Paris cemetery. The pall-bearers were: Dr. J. T. Vansant, Jonas Myall, J. T. Quisenberry, J. T. Martin, Chas. Stephens, W. S. Ray.

The funeral services were held yesterday afternoon at his residence, conducted by Dean Baker P. Lee, of Christ Church Cathedral.

—Mrs. Nancy Baxter, the oldest woman in Clark county, died at her home, near Ruckerville, Wednesday morning. She was born in the house where she died, October 31, 1813. Her husband, Dr. John Baxter, served through the war of 1812, and was a member of Congress when the constitution of 1828 was framed. She was the last surviving pensioner of that war in Clark county, or, perhaps, in the State. She had been blind for seven years.

THRO' KENTUCKY.

Thro' the grand state of Kentucky, Where the "Old Home" got its name, Where the fields are overflowing With the yellow ripening grain.

Here tobacco plants are growing, In the fields not sown with corn, Tobacco plants—big as cactus— Just as sure as you are born.

Yes, they're large as good-sized cactus, Larger in our home-like view, But it's of a fine grade as Is that old "Kentucky Dew."

Here all people reap a harvest, Money in bank from year to year, All the green calamity howlers, Lose their jobs when they land here.

Here the "dry" ways are the highways, Built high and dry from rains and flood, Here the "good roads delegation," Swear the roads are suit'nly good.

But of pikes and highways finest, There's a "road" that suits my taste; 'Tis the line of Solid Comfort, And the trains let no time waste.

From Kentucky to St. Louis, Operates this road of class, Across the famous old "Green River" On its roadbed smooth as glass.

Would you know the road I speak of? Listen then to my advice, For you'll need it in your business, On your trip to Paradise.

In your travels to St. Louis—Hurry! beat them under the wire, "Get the 'Henderson Route' habit"— 'Tis a good one to acquire.

—[Jack "Henderson" Gallagher]

BATTLE AT KIN CHOU.

The Japanese Loss Estimated at 3,500 Killed.

Stronghold Was Captured and There Is Little Now to Hinder Japanese Advance on Port Arthur, Which Has Begun.

Tokio, May 30.—The details of the fighting at Kin Chou emphasize the heroic tenacity of the Japanese in their conduct at Nanshan. Nine successive times the Japanese charged the fortified heights in the face of a storm of death dealing missiles and in their last effort they carried the forts and trenches only after a bayonet to bayonet conflict with the Russians, who made desperate despairing struggle to beat back the oncoming hordes.

The final assault of the Japanese in which they at last succeeded in taking possession was marked by the most desperate hand to hand encounter that has thus far characterized the war. The Japanese left, throughout the entire action until night, was exposed to an enfilading fire from the Russian infantry, a gunboat on Talienvan bay and four 9-centimetre guns posted at Tafengchen. At a critical moment the ammunition of the artillery ran low and it was decided to cast the remaining ammunition into one final desperate assault.

Fortunately however at the moment this decision was reached the Japanese squadron in Kin Chou bay, which had ceased bombarding when the infantry had first moved forward, suddenly resumed the shelling of Nanshan. Then it was that the issues of the day were determined at a moment when the outcome was fluttering between success and defeat for Japan—at that moment was an almost certain repulse converted into victory so successful that the forces of the czar were swept into confusion and disorderly retreat. With every Japanese gun centering its fire upon the Nanshan forts and trenches, the Japanese infantry sprang over the bodies of the dead comrades who had sacrificed their lives in the previous fruitless charges. The entire line rushed forward toward the Russian left, where the fire of the Japanese squadron had proved most deadly and which was the first to weaken under the death dealing bombardment. And it was there that the first breach was made in the human stone wall that all day had been an invincible barrier to the impetuous assault of the brown men.

It was the fourth division of the Osaka men that stormed the Russian left. It had once been said that Osaka men were not brave. It will never be said again.

The first division of Tokio, which had the center and the third division of Nagoya occupying the left and which had been exposed all day to the Russian fire against the front flank, now followed the example of the Osaka men and rushed forward and the battle became transformed from an artillery duel into one of personal conflict, with the bayonet as the instrument of warfare. On every parapet the restless, death-defying Japanese surged forward in increasing numbers and hustling the Russians from their intrenchments, swept over the hill. At 7:30 o'clock as the sun was sinking beneath the horizon the flag of the land of the Rising Sun floated above the blood sodden Nanshan hill, while the shouts of "Banzai" swelled from hill to hill and re-echoed from squadron to fort.

The Japanese paid for their victory in 3,500 killed and wounded. To the Russians humiliation of defeat was intensified by the loss of 68 cannon and 10 machine guns while lying dead in the fort and trenches were 500 men, the victims of the accuracy of Japanese long distance marksmanship and of close range fighting.

THE GILLESPIE JURY.

After 50-Hour Session It Disagreed and Was Discharged.

Rising Sun, Ind., May 30.—The jury of 12 good men and true, empaneled to try James Gillespie, Belle Seward and Carrie and Myron Barbour for the murder of James Gillespie's twin sister Elizabeth, has disagreed. At 10:30 o'clock Sunday, after it had been out for 50 hours, the jury was summoned to the courtroom and interrogated by Judge Downey as to whether or not it had agreed upon its verdict.

Ira Powell, the foreman, replied that it had not.

"Is there any possibility that you can agree upon a verdict?" asked the court.

"None whatever," replied Powell.

"Does this express the opinion of all of you?" inquired Judge Downey, addressing the jurors.

Each of the men nodded in the affirmative.

"Gentlemen," said the court, "it is unfortunate that our three weeks of hard work should result in a mistrial. I trust, however, that each of you has arrived at his decision through a serious consideration of the evidence as brought out at the trial and not because of ulterior reasons.

"I thank you for your conscientiousness with which you have performed your duty.

"Gentlemen, you are discharged."

The vote of the jurors stood five for conviction and seven for acquittal continuously through their long session. Eight ballots were taken and no votes were changed.

The vote applied to all the defendants, and no attempt to frame a compromise verdict on one or two of the accused was found to be possible.

M'DONALD ACQUITTED.

Jury Says He Is Not Guilty of the Murder of Miss Schafer.

Bedford, Ind., May 28.—The jury Friday returned a verdict acquitting James McDonald, who was on trial for the murder of Miss Sarah Schafer.

So quietly was the arrangement to receive the verdict that McDonald's wife was not in the courtroom. After the verdict was announced there were cries of "Good, Jim," and applause. McDonald's attorneys refused to allow him to make a statement. The verdict was reached on the seventh ballot. The first stood nine for acquittal and three for conviction. McDonald was formally discharged by the court and left the courtroom. There was no demonstration.

Indianapolis, Ind., May 28.—The Star Friday night offers a reward of \$1,000 for information that will lead to the arrest and conviction of the murderer of Miss Sarah Schafer, the Bedford school teacher.

Doubtful Compliment.

Poulney Bigelow, who has accepted the chair of foreign relations at Boston university, had completed an address before the Twentieth Century club of Chicago. A young man congratulated Mr. Bigelow rather awkwardly on this address, and the learned traveler replied:

"That is a doubtful compliment. It reminds me of a remark that a friend of the groom's made at a New Hampshire wedding.

"This friend, an observant chap, watched the groom closely during the ceremony, and at the end bore down on the happy man, shook him warmly by the hand, and said:

"Well, ye done good. I had an idee ye would be skittish while ye wuz bein' tied up, but, begosh, ye looked as bold as a sheep."—Washington Post.

A Happy Mother.

Maple Hill, Ia., May 30.—A very remarkable case occurred here recently. The people here have never seen anything like it and it may interest many others.

From his infancy, Verne, the little five-year-old son of Mr. and Mrs. J. Barfoot, of this place, has been sickly. His mother consulted a doctor, but he did not begin to improve till some one suggested that she try a remedy called Dodd's Kidney Pills. From unmistakable symptoms she had always believed that his kidneys were the first cause of all the trouble, so she bought a box of Dodd's Kidney Pills and began giving little Verne two pills a day.

In two or three days she noticed an improvement and she kept on till he had used about two boxes when to her great joy, he was all right. Everybody remarks how much better Verne looks and Mrs. Barfoot always explains: "Dodd's Kidney Pills saved his life."

Professional Ride.

"Why, your flying machine won't even leave the ground!" said the man who had been induced to observe the experiment.

"Well," answered the inventor, after some reflection, "my machine may not be as much of a traveler as some of the others, but it's a heap safer."—Washington Star.

Another club woman, Mrs. Haule, of Edgerton, Wis., tells how she was cured of irregularities and uterine trouble, terrible pains and backache, by the use of Lydia E. Pinkham's Vegetable Compound.

"DEAR MRS. PINKHAM:—A while ago my health began to fail because of female troubles. The doctor did not help me. I remembered that my mother had used Lydia E. Pinkham's Vegetable Compound on many occasions for irregularities and uterine troubles, and I felt sure that it could not harm me at any rate to give it a trial.

"I was certainly glad to find that within a week I felt much better, the terrible pains in the back and side were beginning to cease, and at the time of menstruation I did not have nearly as serious a time as heretofore, so I continued its use for two months, and at the end of that time I was like a new woman. I really have never felt better in my life, have not had a sick headache since, and weigh 20 pounds more than I ever did, so I unhesitatingly recommend your medicine."—MRS. MAY HAULE, Edgerton, Wis., Pres. Household Economics Club.

Terrific Storm.

Nicholas county was visited Sunday by a rain and hail storm. Heavy wind blew the roof off Abalom Brother's residence, near Carlisle, and he, being blind, in his effort to escape, was struck by falling timbers and so badly injured he may die. A portion of John G. Blair's handsome residence was blown down. Thirty barns are reported destroyed.

The brooders and incubators at the poultry yards of Frank Kennedy & Co. and E. H. Kennedy & Co. were wrecked and two thousand hens and chickens drowned. The hail broke the glass in J. W. and E. W. Shankland's hotbeds and destroyed growing vegetables and plants. One large window was blown out and one chimney off the courthouse, the roof on the Carlisle Milling Company was damaged, while many shade trees were broken off and blown down. A fine broodmare belonging to John H. Frey was killed by lightning near Carlisle.

Democratic Mass Meeting.

The Democrats of Bourbon county will meet in mass convention at the old Christian Church, in Paris, Ky., on Saturday, June 4th, 1904, at 2 p. m., for the purpose of selecting delegates to the State Convention, which meets in Louisville, June 8th, to select delegates to the National Convention to be held in St. Louis, July 6th.

GEO. W. MORROW, Chairman.
R. K. MCCARNEY, Secretary.

Mass Meeting Saturday.

Hon. A. S. Thompson, of Bourbon, has by numerous friends from all over the Seventh Congressional District, been urged upon to become a candidate for Executive Committeeman from this district. A mass meeting of Democrats will be held Saturday at two o'clock to select delegates to attend the State Democratic Convention at Louisville on June 8th, to select delegates to the National Convention. At the State Convention the Executive Committee for the State is selected, and it is of the utmost importance that good men should be placed on this committee. Mr. Thompson has consented to become a candidate for a member of said committee and if selected no better choice could be made. His record in the Legislature was a clean one, and if a member of the Executive Committee he could be depended on to be fair and conscientious in his dealings with every question that should arise before that body. Let his friends be present at the mass meeting Saturday and select a delegation to the State Convention that will do all in their power to make this worthy Democrat a member of the State Executive Committee.

Mt. Sterling Short Line.

The enterprising citizens of Mt. Sterling, on Saturday, filed articles of incorporation for the Mt. Sterling Short Line Railway Company, with capital stock of \$250,000. The road, a survey of which has already been made, will be built at once, and will be nine miles in length, connecting with the Lexington and Eastern at Indian Fields. It is believed the road will be the means of building an electric line from Mt. Sterling to Lexington and to Sharpsburg.

Now if our citizens would wake up and take some interest in the electric line to North Middletown, for considerable less money than it would take for this line, a road could be built to connect with this short line at Mt. Sterling and we would be in direct connection with the best coal fields in Kentucky.

City Tax Levy Raised.

At the meeting of the Paris City Council, on Thursday night, the following Tax Levy, on each \$100 worth of property, was made for the year 1904:

General Purposes.....	.75
Sinking Fund.....	.25
Library Fund.....	.15
School Fund.....	.30

Total Levy for 1904\$1.45

This is a raise over last year of 15 cents, which will be seen is caused by the Library Fund. The committee who built the Library overstepped its authority a little and incurred an indebtedness of \$3,000 above the amount set apart for this purpose. This debt had to be paid and it was just as well to levy the tax now for that purpose. After this year this fund will only require a tax of about 5 cents to run it as per contract with Carnegie.

IN Bath county five men were fined \$25 each and costs for seining a creek in violation of the law. If the authorities will continue to enforce the law there will soon be good fishing in the streams of that county. What is done in Bath in this direction can be done in any county in the State. If the seiners and dynamiters were kept out of Stoner, in a few years it would be a splendid fishing ground. Every citizen of Bourbon county, who inclines to legitimate sport of this kind, ought to camp on the trail of every illegitimate fisherman and see that he is brought to justice.

ROOSEVELT'S administration has cost so much that if the sums appropriated were divided into \$10 bill, placed end to end, the earth could be belted and 6,000 miles be left. If he should be given four years more he would very easily make a new record in extravagant expenditures. Why not turn Teddy out? Prior to his occupancy of the White House the United States treasury has never been considered merely as a thing to be played with.

Mr. Chas. Clarke will take his place at Chas. Cook and Co.'s grocery.

RUNAWAY.—Mr. Walter Clark, while driving on Second street, yesterday morning, had narrow escape from being hurt. He was driving a rather fractious horse to his brake cart when his bit broke, the horse at once making a dash for home and Mr. Clark a dash for the ground. The cart struck Mrs. Jas. Short's fence on Main street as the horse turned from Second, releasing him from the cart and on last accounts the horse was on his way home.

Dynamiting Stoner.

We understand that some miscreants are at their dirty work of dynamiting the brush piles in Stoner. Some gentlemen were up the creek the other day and caught several nice strings of new lights near brush piles and upon returning to their good fishing grounds a few days afterwards found the brush piles had disappeared and a large number of dead fish on the banks. This business not only destroys the fishing in this beautiful stream, but it gives our citizens impure water for cooking purposes, etc., many of them being compelled to use the water for drinking purposes. If there should be punishment meted out to the violators of the law this class should be dealt with to the very limit. Let every law abiding citizen play detective for a while and see if these people cannot be punished as they deserve.

He "Got the Money."

The Cincinnati Enquirer of Sunday contained the following notice of a Parisian: "A quiet mannered, modestly dressed man with a zephyr-like rural air about him dropped into a stiff poker game in Cincinnati one night last week. To most of the high rollers he was a stranger, and when they were informed that he was only a tonsorial artist from a Blue Grass town they thought he would soon blow himself out and it would be like finding coin."

"But it was different. When he got up from the table and said he reckoned he would quit for breakfast he cashed in \$1,650 to the 'good.' It was 'Tom' Crawford, the unpretentious Paris, Ky., barber, who is said to know the value of a hand as intelligently as any sport living, and plays with the nerve of a millionaire. Crawford took his winnings home with him."

Baccalaureate Sermon.

The baccalaureate sermon to the graduating class of the Paris High School was preached at the Christian Church, Sunday night, by Rev. J. L. Clarke, of the Methodist Church. After reading a part of the Second Chapter of Exodus, Mr. Clarke took for his subject, "Intellectual Culture," and delivered one of the best and most appropriate baccalaureate sermons ever heard in Paris. The congregation was large, and the singing most excellent. The High School commencement exercises will be held at the Opera House on Thursday evening.

Tablot Bros' String.

Tablot Bros' Talpa was another good race at Chicago Saturday. Another Talbot, who trains his own horses, is known at home and abroad to always run his horses to win, and his many home friends are always anxious to put a small bet on them whenever they start, so to give them this opportunity we give the names of the horses he has in his stable this year. We will say further that it is the best bunch he ever left home with. They are as follows:

Talpa, Wain-a-Moines, The Crisis, Prince Silverwings, Shawana, Dalvay, Atwill, Tapiola, Estrada Palma; his two-year-olds are Regale, Hambright, Brightway, Brita, Alcor and Dod Anderson.

Dr. J. L. Webb, President of Kentucky Wesleyan College, Winchester, will deliver the address, and beautiful music will be rendered by our best local talent. A very interesting program has been prepared. Everybody is cordially invited to attend.

TAILORED SUITS.—Ladies' handsome tailored suits at special bargain price for 5 days, at Twin Bros. Dry Goods Department.

Musical Festival.

The musical entertainment to be given on Monday evening, June 6th, will by far excel anything of the kind that has ever been given in Paris. Dr. Frank Fithian has been untiring in directing the choruses, and the music selected outclasses any that has ever been heard here. In fact, the Opera House should be crowded to standing room only, for it is only on rare occasions that such singing is heard anywhere. This entertainment is for the benefit of the First Presbyterian church, and it is the first time that we remember, this church has ever given a public entertainment. Tickets will be on sale Wednesday at Borland's. Program will be given in next paper.

The Reds and Blues Tie.

About three months ago, the Methodist Sunday School in this city divided into two companies, the Reds and the Blues. The company that secured the largest number of new scholars was to be entertained by the other with a supper. Sunday was the day to count noses and the interesting fight resulted in a tie—each company having enrolled 21 new scholars. So the whole school decided to give a supper to the members of the church and friends on the evening of June 7th. Forty-two new scholars in three months speaks well for this little band of Christian workers.

A Close and Persistent Contest Ended.

The suit of the Fifth National Bank of Cincinnati against the estate of Charlton Alexander was on trial at Lexington last week and ended Saturday in favor of the Bank, the Bank recovering a judgment for fifteen thousand dollars and interest and costs. The suit was on a note for that amount executed by Mr. Alexander in his lifetime to his son, George Alexander. The plaintiff, the First National Bank, had purchased the note from the Citizens' National Bank of Cincinnati, which in turn had acquired it from George Alexander & Co. The contention of the defense was that there was no consideration for the note, and it was a gift and unenforceable, and that as the Fifth National Bank had purchased it from the Citizens' National Bank after it was due and unpaid and protested, it had not made the purchase in good faith, but merely as agent of George Alexander to give the plaintiff Bank a nominal title while the real party in interest was George Alexander, and that therefore the suit could not be maintained by the Bank.

Every step of the case was closely and persistently fought. The Court decided that the Fifth National Bank acquired a good title, and that the note was enforceable, and that the estate was liable for the full amount of the debt.

The case has been chiefly remarkable for the number of eminent counsel engaged upon both sides, no less than twelve lawyers from various cities having appeared. For the plaintiff, McMillan & Talbot, of Paris; C. J. Bronston and Breckinridge & Shelby, of Lexington. For the defendant, Myers & Howard, formerly Myers & Leonard, of Covington, and Allen & Duncan, of Lexington, were all actively engaged in the conduct of the case.

A Continual Strain.

Many men and women are constantly subjected to what they commonly term "a continual strain" because of some financial or family trouble. It wears and distresses them both mentally and physically, affecting their nerves badly and bringing on liver and kidney ailments, with the attendant evils of constipation, loss of appetite, sleeplessness, low vitality and despondency. They cannot, as a rule, get rid of this "continual strain," but they can remedy its health-destroying effects by taking frequent doses of Green's August Flower. It tones up the liver, stimulates the kidneys, insures healthy bodily functions, gives vim and spirit to one's whole being, and eventually dispels the physical or mental distress caused by that "continual strain." Trial bottle of August Flower, 25c; regular size, 75c. At all druggists.—W. T. Brooks

Healthy Mothers.

Mothers should always keep in good bodily health. They owe it to their children. Yet it is no unusual sight to see a mother, with babe in arms, coughing violently and exhibiting all the symptoms of a consumptive tendency. And why should this dangerous condition exist, dangerous alike to mother and child, when Dr. Boches's German Syrup would put a stop to it at once? No mother should be without this old and tried remedy in the house—for its timely use will promptly cure any lung, throat or bronchial trouble in herself or her children. The worst cough or cold can be speedily cured by German Syrup; so can hoarseness and congestion of the bronchial tubes. It makes expectoration easy, and gives instant relief and refreshing rest to the cough-racked consumptive. New trial bottles, 25c; large size 75c. At all druggists.—W. T. Brooks

We are authorized to announce T. PORTER SMITH as a candidate for the office of Representative of Bourbon county in the next General Assembly, subject to the action of the Democratic party.

FOR JUDGE OF COURT OF APPEALS.

TO THE VOTERS OF THE FIFTH APPELLATE COURT OF KENTUCKY:—I am a candidate for Judge of the Court of Appeals from this District, subject to the action of the Democratic party. As Circuit Judge, it became my duty to try a number of criminal cases, which have become a part of the State's history and at a most critical time. As Judge of the State Fiscal Court, it fell to my lot to construe the Statutes adopted, to put in force the provisions of the new Constitution, as well as to construe the present Constitution whenever a controversy arose as to its proper construction. Almost innumerable cases have burdened the dockets of my court, touching the rights of corporations and the exercise of franchise under law. How well I have discharged my duties under such trying circumstances, is left to you to determine.

I will be very grateful to all who feel they can assist me to secure the high position and office to which I aspire.

Very respectfully,
JAMES E. CANTRILL.

FOR CONGRESS.

We are authorized to announce W. P. Kimball, of Fayette county, as a candidate for the Democratic nomination for Congress from Seventh District, subject to the action of the district convention to be held in the city of Lexington on Thursday, May 12, 1904.

I am a candidate for re-election to Congress from this District, subject to the action of the Democratic party. I believe in getting as close to the people as possible, and it was my desire that a primary election be held to select a Democratic nominee for Congress, so that every Democrat could have the privilege of going to his precinct voting place and expressing his choice, but my opponents desired mass conventions at the county seat, and the committee so ordered.

I am now serving my second term as your Representative. I have endeavored, to the best of my ability, honestly, faithfully and conscientiously to do my duty. It is my highest ambition to secure legislation for the relief of the farmers, who have been so grossly imposed upon by unjust laws, and I feel that my experience has fitted me to render valuable service on this line, if I am permitted to continue to represent my District.

My official duties in Washington will prevent me from making an active personal campaign in all the counties of the district, therefore, I will have to rely on my friends to take care of my interest, which I have an abiding faith they will do. Trusting my service as a member of Congress meets with your approval, and hoping my candidacy will receive your valuable aid and support, I am
Very respectfully yours,

The King's Stature.

King Edward is not so tall as many people imagine and whenever his majesty is photographed in a group he is invariably put to stand on some small eminence, such as a step, in order that he may compare as well as possible with those about him. In his stockings he is just five feet seven inches. His majesty wears boots with high heels, and his total height as he walks is five feet eight inches.—London News.

Not Going Abroad.

Steamship agents are not happy because the spring bookings for Europe are not so large as last year, and they do not anticipate any great increase in westward passengers because of the St. Louis exposition. BOTH JAWS SHOT AWAY

Still a Successful Business Man.

A man who had both jaws shot away had trouble eating ordinary food but found a food-drink that supplies the nutriment needed. He says:

"I have been an invalid since the siege of Vicksburg, in 1866, where I was wounded by a Minnie ball passing through my head and causing the entire loss of my jaws. I was a drummer boy and at the time was leading a skirmish line, carrying a gun. Since that time I have been awarded the medal of honor from the Congress of the United States for gallantry on the field.

"The consequences of my wound were dyspepsia in its most aggravated form and I finally proved ordinary coffee was very hard on my stomach so I tried Postum and got better. Then I tried common coffee again and got worse. I did this several times and finally as Postum helped me every time I continued to use it, and how often I think that if the Government had issued Postum to us in the Army how much better it would have been for the soldier boys than coffee.

"Coffee constipates me and Postum does not; coffee makes me spit up my food, Postum does not; coffee keeps me awake nights, Postum does not. There is no doubt coffee is too much of a stimulant for most people and is the cause of nearly all the constipation.

"This is my experience and you are at liberty to use my name." Name given by Postum Co., Battle Creek, Mich.

NOTHING BUT CHICKENS.

He Had a Bad Cough, But That, He Said, Was All He Raised.

Some amusing incidents occur at the free dispensary of the different hospitals in town, often because the poor patients fail to understand the terms used by the doctors. The following incident occurred at the University hospital the other day, and illustrates the point in question, relates the Philadelphia Telegraph.

A man came in who the doctor thought was suffering from beginning pneumonia, so after getting his name and address and other necessary data, he asked the patient if he had a chill.

"Yes, a very bad chill yesterday," came the answer.

"Do you cough much?" asked the doctor.

"Yes, some," replied the patient, with a practical illustration.

"Do you raise anything?" was the next question.

The man hesitated a moment, then answered, innocently: "Well, only a few chickens."

DOCTOR ADVOCATED OPERATION—
PE-RU-NA MADE KNIFE UNNECESSARY.

MRS. EVA BARTHO, 133 East 12th St., New York City, N. Y., writes: "I suffered for three years with leucorrhea and ulceration of the womb. The doctor advocated an operation which I dreaded very much, and strongly objected to go under it. Now I am a changed woman. Peruna cured me; it took nine bottles, but I felt so much improved I kept taking it, as I dreaded an operation so much. I am to-day in perfect health and have not felt so well for fifteen years."—Mrs. Eva Bartho.

Mrs. Senator Roach, of Larimore, N. Dak.; Mrs. Senator Warren, of Cheyenne, Wyo.; Belva Lockwood and Mrs. General Longstreet, of Washington, D. C., are among the prominent ladies who indorse Peruna.

Miss Helen Rolof, Kaukauna, Wis., writes: "Several times during the past two years or more my system has been greatly in need of a tonic, and at those times Peruna has been of great help in building up the system, restoring my appetite and securing restful sleep."—Helen Rolof.

Miss Muriel Armitage, 36 Greenwood Ave., Detroit, Mich., District Organizer of the Royal Templars of Temperance, writes as follows:

"I suffered for five years with uterine irregularities, which brought on hysteria and made me a physical wreck. I tried doctors from the different schools of medicine, but without any perceptible change in my condition. In my despair I called on an old nurse, who advised me to try Peruna, and promised good results if I would persist and take it regularly. I kept this up for six months, and steadily gained strength and health, and when I had used fifteen bottles I considered myself entirely cured. I am a grateful, happy woman to-day."—Miss Muriel Armitage.

Miss Lucy M. Riley, 33 Davenport St., Cleveland, Ohio, writes:

"I wish to add my indorsement to thousands of other women who have been cured through the use of Peruna. I suffered for five years with severe backache, and when weary or worried

in the least I had prolonged headache. I am now in perfect health, enjoy life and have neither an ache or pain, thanks to Peruna."—Lucy M. Riley.

It is no longer a question as to whether Peruna can be relied on to cure all such cases. During the many years in which Peruna has been put to test in all forms and stages of acute and chronic catarrh no one year has put this remedy to greater test than the past year.

If all the women who are suffering with any form of female weakness would write to Dr. Hartman, Columbus, Ohio, and give him a complete description of their symptoms and the peculiarities of their troubles, he will immediately reply with complete directions for treatment, free of charge.

Address Dr. Hartman, President of The Hartman Sanitarium, Columbus, Ohio.

THE ROSEBUD INDIAN RESERVATION.

382,000 Acres of Fertile and Well Watered Lands Open to Settlement.

Some two years ago the Chicago & North-Western R'y built their Verdigris & Bonesteel line to the eastern border of the Rosebud Indian Reservation, thus securing the only direct line from Chicago, Minneapolis, St. Paul, Sioux City, Omaha and other points in the west to the fertile region which is now to be thrown open to settlement under the United States Homestead laws.

Under President Roosevelt's proclamation United States Registry Land Offices are to be opened July 5th at Yankton, Fairfax and Bonesteel, S. D., for the registration of applicants for these lands. The registration books will remain open until July 23d, and commencing July 25th, drawings will take place, to determine the order in which the applicants will be permitted to make final entry and settlement.

The final entry begins at Bonesteel, August 8th. No one is permitted to register or make entry to land by mail, but must be personally present at one of the three points named for registration and at Bonesteel for final entry.

The lands are well watered by the Missouri, Niobrara and White rivers and are remarkably fertile, situated in the midst of the great corn belt of the Missouri Valley, where similar land is worth from \$20 to \$50 an acre. With an altitude of about 2,200 feet, they are in a region which cannot be excelled for healthfulness.

A heavy influx of people is looked for at these points of registration, and everything possible is being done by the Northern Western Line to spread broadcast all information that is of interest to applicants for these lands.

Complete maps and folders have been issued and are being distributed free on application to the representatives of the Passenger Department.

HYOMEI'S SUCCESS IN PARIS.

Cured Many Serious Cases of Catarrh. Clarke & Co. Will Refund Money if It Fails.

No other medicine for treatment of
catarrh has ever achieved such quick and
remarkable success in Paris as Hyomei.
The fact that Clarke & Co., when they
first introduced Hyomei sold it under a
positive guarantee to refund the money
in case it did not cure contributed largely
to its successful introduction. A guaran-
tee from a firm like Clarke & Co. gave
people confidence at the start.

Those who obtained a Hyomei outfit
found that the treatment did all that was
claimed for it; that the first few breaths of
Hyomei cleared the air passages and
gave an exhilarating and invigorating
effect. Its continued use freed the
system from all catarrhal germs, soothed
and healed the mucous membrane, and
made a complete and lasting cure.

Compared with the dangerous stomach
drugging that had been used heretofore in
the treatment of catarrh, the balsamic air
of Hyomei created a most favorable im-
pression. And the medicine itself did
even more than was claimed for it. In
fact, to make a success, it was necessary
that Hyomei should cure nearly every
case of catarrh in which it was used, for
every outfit was sold on a guarantee to re-
fund the money in case it failed.

If it had not possessed the usual merit,
an offer like this would have resulted in an
enormous loss. But curing as it did,
Hyomei soon gained an enviable reputa-
tion and made many friends who recom-
mend it far and near. Its success here in
Paris has been remarkable, and Clarke &
Co. are still selling it on their personal
guarantee to refund the money in case it
does not give satisfaction.

BANKERS ADVERTISE.—A Pittsburg
banker says the newspaper advertising
done by the banks of that city has in-
creased the number of depositors enor-
mously during the last year. "In every
community," he reasons, "the depositors
are but a small proportion of the people
who could be induced to become such by
persistent, simple explanations in the
form of a display advertisement in the
newspapers."

A CIRCUS COMING.—Mr. Pete Sun, Gen-
eral Agent of Sun Brothers' World's
Progressive Railroad Shows, was in the
city yesterday making arrangement for
his circus, which will be in Paris on June
15. His advertisement will appear next
week.

DAMAGE BY STORM.—Great damage to
farm property was done in Montgomery
county Tuesday morning by a terrific
wind, hail and rainstorm. The residence
of Robt. C. Gatewood was injured by
lightning. Shade trees and fencing were
blown down and watergaps washed out.
The telephone lines were badly damaged
in the county. The hail ruined a number
of tobacco beds and killed calves, pigs and
lambs.

CHANGE OF VENUE.—Special Judge J.

French and Ed. Callahan for subordina-
tion of perjury and Jim Bach for perjury
in the Jeff case. The case goes to Mont-

Cooper was appointed by Gov. Beckham,
as the defense refused to agree on anyone,
and insisted that the Governor appoint.
